**Study #71: Pharmakeia Part 1**  
**Revelation 18:14 - 24**  
**Bible Sermon Study Notes by Cary Rodgers, pastor**

**In the end, what will happen to all the stuff of Babylon as a result of her self-indulgence?**

**Revelation 18:14-16**

14 And the fruits that thy soul lusted after are departed from thee, and all things which were dainty and goodly are departed from thee, and thou shalt find them no more at all.  
 15 The merchants of these things, which were made rich by her, shall stand afar off for the fear of her torment, weeping and wailing,  
 16 And saying, Alas, alas, that great city, that was clothed in fine linen, and purple, and scarlet, and decked with gold, and precious stones, and pearls!

**How long will it take for Babylon to be totally destroyed and uprooted? (3 text reveal)**

**Revelation 18:10, 17 - 19**

10 Standing afar off for the fear of her torment, saying, Alas, alas, that great city Babylon, that mighty city! for in **one hour** is thy judgment come.  
 17 For in **one hour** so great riches is come to nought. And every shipmaster, and all the company in ships, and sailors, and as many as trade by sea, stood afar off,  
 18 And cried when they saw the smoke of her burning, saying, What *city* is like unto this great city!  
 19 And they cast dust on their heads, and cried, weeping and wailing, saying, Alas, alas, that great city, wherein were made rich all that had ships in the sea by reason of her costliness! for in **one hour** is she made desolate.

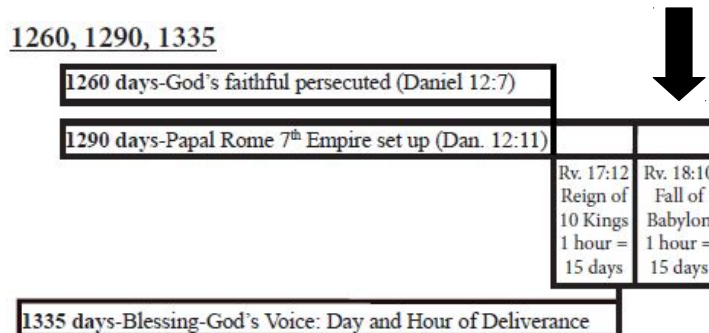

**Since the context of Babylon is symbolic, the time prophecy is also symbolic. Must use a day for a year principle. So, how long is one hour when a day for a year is applied?**

To translate one hour of symbolic time to literal time you must do the following:

A symbolic day represents one symbolic year of 360 literal days.

<b>1 day</b>	=	<b>1 year</b>
<b>1/24<sup>th</sup> of a day = 1 hour</b>		<b>1/24<sup>th</sup> of a year = 360 ÷ 24 = 15 days</b>

Babylon will completely fall in 15 literal days at the end of the seven last plagues.

**What does John hear and see next about the final destruction of Babylon?****Revelation 18:20 - 22**

20 Rejoice over her, *thou* heaven, and ye holy apostles and prophets; for God hath avenged you on her.

21 And a mighty angel took up a stone like a **great millstone**, and cast *it* into the sea, saying, Thus with violence shall that great city Babylon be thrown down, and shall be found no more at all.

22 And the voice of harpers, and musicians, and of pipers, and trumpeters, shall be heard no more at all in thee; and no craftsman, of whatsoever craft *he be*, shall be found any more in thee; and the sound of a millstone shall be heard no more at all in thee;

**Why does God avenge for the holy apostles and prophets against Babylon?****Revelation 18:24**

24 And in her [Babylon] was found the blood of prophets, and of saints, and of all that were slain upon the earth.

During the mark of the beast crisis, but before seven last plagues many true people of God who do not receive the mark the beast are persecuted or kill for the truth of Jesus. They refuse the false Sunday Sabbath that is enforced nationally and worldwide. They have the faith of Jesus and keep all His commandments including the seventh-day Sabbath.

**Why were all nations deceived by Babylon and destroyed with Babylon?****Revelation 18:23**

23 And the light of a candle shall shine no more at all in thee; and the voice of the bridegroom and of the bride shall be heard no more at all in thee: for thy merchants were the great men of the earth; **for by thy sorceries** were all nations deceived.

**Sorceries (Greek) = Pharmakeia [far-mak-i'-ah]****Thayer Definition:**

1. the use or the administering of drugs
2. poisoning
3. sorcery, magical arts, often found in connection with idolatry and fostered by it

“For by thy **pharmakeia [poisonous drugs mixed with magical arts connected with idolatry]** were ALL nations deceived!”

Pharmakeia is where we get our word pharmacy! The administration of poisonous drugs!

The Bible is very clear when the word “sorceries” is used only in connection to magic, it uses the Greek word “mageia” [mag-i'-ah], but when the word is connected to the use of poisonous drugs it uses the Greek word “pharmakeia.”

**For example:****Acts 8:9, 11**

9 But there was a certain man, called Simon, which beforetime in the same city used **sorcery**, and bewitched the people of Samaria, giving out that himself was some great one:

**11** And to him they had regard, because that of long time he had bewitched them with **sorceries**.

Here the Greek the word “sorcery” is mageuō [*mag-yoo'-o*] to *practice magic*: - use sorcery. Sorceries is mageia

[mag-i'-ah]; “magic”: - sorcery.

Even in the Old testament:

When the word sorcery is used in mainly applies to magic or witchcraft.

Isaiah 47:9

**9** But these two *things* shall come to thee in a moment in one day, the loss of children, and widowhood: they shall come upon thee in their perfection for the multitude of thy **sorceries** (magic/witchcraft), *and* for the great abundance of thine enchantments.

**Don't miss this. In general all sorceries/witchcraft/magic are known to use “magic” potions to “heal”, deceive, poison, or kill someone.**

**When you go back to Revelation 18:23 Jesus uses the Greek word “pharmakeia” to reveal to us that the main thing that will be used to deceived ALL people in the last days is a well organized system of administering poisonous drugs to billions people that not only toxic to the organs of body, but have a direct negative effect on the brain.**

Pharmacy mainly uses a mixture of toxic chemicals, metals, and/or synthetic elements to produce “pharmaceuticals” that are designed to manipulate the biochemistry or metabolic functions of the body in an attempt to get a “desired” affect in the treatment of a disease or sickness. In other words, pharmacy mixes up different types of poison, package it, patent it, and claims that it can treat certain types of diseases. The main problem with that system is that poison is poison. Pharmaceutical drugs are poisonous. When poison is put into the body it has negative effects on the entire body system from head to toe. These are not just “side effects” or “unintended” sicknesses or diseases that a person suffers as a result of using a drug. These are “direct effects” because the reality is that drugs have direct effects on the entire body system including the brain.

“For by thy **pharmakeia [poisonous drugs mixed with magical arts connected with idolatry]** were ALL nations deceived!”

**Is this system of poisonous drugging of pharmakeia directly connected to idolatry and Satanic worship?**

The symbols of modern medicine reveal clearly who this system centers around.

**Symbol of Pharmacy – the Bowl of Hygieia the international symbol for pharmacy**

**Ettie Rosenberg, Pharm.D., Esq.**

“The “Bowl of Hygieia” symbol is the most widely recognized international symbol of pharmacy. In Greek mythology, Hygieia was the daughter and assistant of Aesculapius (sometimes spelled Asklepios), the God of Medicine and Healing. Hygieia’s classical symbol was a bowl containing a medicinal potion with the serpent of Wisdom (or guardianship) partaking it. This is the same serpent of Wisdom, which appears on the caduceus, the staff of Aesculapius, which is the symbol of medicine.”

**Who is the serpent (snake) in the Bible?** Satan Revelation 12:9 – That old serpent called the Devil....

What did the serpent tell Eve if she ate of the forbidden tree? “will make one wise..”

### **Greek God, father of Hygieia, Asclepius**

**Asclepius** (*/æs'kli:piəs/*; Greek: Ἀσκληπιός, *Asklēpiós* [asklɛ:piós]; Latin: *Aesculapius*) was a god of medicine and healing in ancient Greek religion. Asclepius represents the healing aspect of the medical arts;

God of medicine, healing, rejuvenation and physicians.

“Serpent of Wisdom” seen throughout the symbolism of the modern medical profession

The emergency services' Star of Lifefeatures a rod of Asclepius /

American Medical Association – who are they actually associated with – the serpent...

The serpent on the rod of Asclepius is a counterfeit representation of the brass serpent that Moses was instructed by God to put on the pole in the wilderness whereas those who looked at the brass serpent were healed from the bite of the poisonous snakes in the wilderness. (Read Numbers 21:4-9). Later, Hezekiah destroyed it because the people were worshiping the brazen serpent burning incense to it. (Read 2 Kings 18:4) The rod of Asclepius with the snake is not the same as the brass serpent that Moses had in the wilderness, it was the opposite. (For more details read **The Forgotten Commandment & the Mark of the Beast Crisis** pages 187-189. There is a free download: [https://www.pathwaytopeacebooks.com/images/Downloads/Forgot\\_Command\\_Mark\\_Of\\_The\\_Beast\\_Clr\\_Cover.pdf](https://www.pathwaytopeacebooks.com/images/Downloads/Forgot_Command_Mark_Of_The_Beast_Clr_Cover.pdf)

Those who submit to the system of administering poison for healing will suffer negative effects on the body and brain.

### **Caduceus**

“Many "medical" organizations use a symbol of a short rod entwined by two snakes and topped by a pair of wings, which is actually the caduceus or magic wand of the Greek god **Hermes** (Roman **Mercury**), messenger of the gods, **inventor of (magical) incantations**, conductor of the dead and protector of merchants and thieves. It is derived from the Greek karykeion = "herald's staff", itself based on the word "eruko" meaning restrain, control.” <http://drblayney.com/Asclepius.html>. The Caduceus was the magic wand of the god Hermes. <http://www.masonicdictionary.com/caduceus.html>

The occult uses the caduceus as a “magic” wand to cast spells!

DON'T MISS THIS – Even in Greek mythology and the occultic world the caduceus had nothing to do with medicine or healing or health.

So why has modern medicine adopted this caduceus as their symbol of medicine? Remember it's original function and meaning.

Who hold's the caduceus? The false God of Mercury.

What is his claim? Inventor of magic, conductor of the dead and PROTECTOR of merchants and thieves. To restrain and control!

Could it be that modern medicine has adopted the caduceus as their symbol of medicine and physicians to PROTECT the merchants of the earth that make Billions of dollars poisoning people, to protect the corporate thieves and to control and restrain the masses... GET OUT OF BABYLON!

This may shock you. **Who first adopted the caduceus to represent medicine?**

Even though the caduceus had nothing to do with healing or medicine, an officer in the US ARMY Medical Corps in 1902 insisted on adopting the caduceus as their symbol of medicine.

Why was the CADUCEUS adopted into modern medicine? It reveals who the true “inventor of magic, “conductor” of the dead and PROTECTOR of merchants and thieves is that restrains and controls its victims - SATAN himself!

**How? In the occultic world of Satan he depicts himself as a goat with two wings and a CADUCEUS between his crossed legs!** Here is the direct link between the poisonous practices of modern medicine through pharmakeia and Satan. Satan is behind this system. It is part of Babylon. Get out before it's too late.

**Who is the father of modern pharmacy and where did he get his inspiration?**

Born as Philippus Aureolus Theophrastus Bombastus von Hohenheim in 1493. He called himself Paracelsus. He was well known as a Swiss German physician, botanist, alchemist, astrologer, and general occultist. He founded the field of toxicology better known as pharmacy.

For years physicians used natural herbs and food for healing. Even the famous Greek physician Hippocrates before Paracelsus said “let food be your medicine.” Paracelsus defied this notion.

From his studies on chemistry and metallurgy with the mix of occultic worship and astrology he theorized that metals such as mercury, lead, tin, copper, and gold can “purify” the body. He believed that the stars and planets were the main cause of human illness and disease and that ALL diseases should be treated with metals / poison.

This was a very radical practice during his time. He treated many diseases with mercury better known as quicksilver. Many physicians who bought into Paracelsus method and used mercury (also known as quicksilver or Quack Salber) were known as “quacks”. This was a rebellious treatment of the body. (Back to Eden, Jethro Kloss, p. 52-53). Many people died as a result of Paracelsus way of treatment.

At 50 or 51 years old the story is told that Paracelsus was thrown out the window by other physicians at the time who believed him to be very dangerous in 1541.

But it is amazing today the Paracelsus is known as the father of modern pharmacy! Where did he get his inspiration? Satan!

**WARNING! Modern Medicine – Uses poisonous drugs from the snake, Satan, himself. This system of Paracelsus is the foundation in which modern medicine is built. It has killed and poisoned millions of people.** Pharmaceutical drugs never cure disease – they only try to manage it by inhibiting or manipulating a function in the body that is supposed to happen naturally.

- In a June 2010 report in the *Journal of General Internal Medicine*, study authors said that in looking over records that spanned from 1976 to 2006 they found that, of 62 million death certificates, **25 million deaths** were coded as having occurred in a hospital setting due to medication errors.
- The total number of deaths due to the American modern medical system of drugging, unnecessary surgeries, infections, medical errors, etc is 783,936 people per year! This is more than people who die from heart disease with over 600,000 deaths per year and cancer with over 500,000 deaths per year.  
<http://articles.mercola.com/sites/articles/archive/2003/11/26/death-by-medicine-part-one.aspx>
- 130 deaths everyday in American due to overdose of opioids -  
<https://www.cdc.gov/drugoverdose/epidemic/index.html>

The system of administering poisonous drugs world wide is a trillion dollar industry and medical merchants of the earth profit greatly from it. They love it (the money it produces) and ignore the many lives it destroys.

### **How do the merchants of the earth keep this expensive BIG profit machine going?**

Health Insurance. Obamacare “Universal” Health Insurance tries to FORCE all in America to get on it! If you don't have health insurance you are penalized. This is a precursor of the enforcement Sunday sacredness here in the US and around the world. Babylon is trying to force ALL to pay into this system of poisoning! Without this system of insurance the average person could not afford to be a part of it...

### **We saw the link of modern medicine to the dragon, Satan himself the inner core the seven headed beast of Revelation 17; but did you know that there is a link to the mother of Babylon, the beast?**

Rx was originally used as an astrological symbol of good luck by physicians, which when printed, first appeared as an uppercase R with its tail extended and crossed.

<http://health.blurtit.com/20107/what-does-rx-in-the-doctors-prescription-mean>

### **Rx symbolizes prayer to the god of medicine-Jupiter**

Coming from the practice of Egyptian pagan worship the Rx originally was the eye of Horus that doctors used as a sign for help and healing from the god of Horus. But over time the eye of Horus was abbreviated as R with the bottom of the R crossed.

The sacred monogram Chi-Rho, so called because it was composed of the Greek letters chi (C ) and rho (R), is of Egyptian origin. According to Sir Flinders Petrie, the Egyptologist, the monogram Chi-Rho was the emblem of the Egyptian god, Horus, thousands of years before Christ. This is the same as the Rx with the x moved over to the center of the R.

**What does the pope wear?** This is what the mother of Babylon wears the chi-rho... connection with pharmakeia!

Poisonous drugs are NOT a cure for disease. Many who prescribe and administer pharmaceutical drugs will admit it. If drugs cured disease, why are many who are being treated for diseases prescribed to take drugs until the day they die. This does not sound like a cure but a money making hoax.

You have common sense. Be honest with yourself, how can poison heal anything when it is poison! It would not be poison if it did not do damage to the body. Long term use of these drugs can contribute to many cancers, heart disease, and other diseases because they are doing untold harm to cells in the body.

**What will those who are a part of pharmakeia and are suffering from the torment of Satan during the sixth plague not do?**

**Revelation 9:20, 21**

20 "And the rest of the men which were not killed by these plagues **yet repented not** of the works of their hands, that they should not worship devils, and idols of gold, and silver, and brass, and stone, and of wood: which neither can see, nor hear, nor walk:

21 **Neither repented they of their murders, nor of their sorceries [pharmakeia], nor of their fornication, nor of their thefts."**

Greek word for "sorceries" in verse 21 is pharmakeia. The wicked who got rich from the system of poisoning will not repent even while suffering from the sixth plague.

**Examples of corrupt pharmacy doctor criminals:**

**Patients give horror stories as cancer doctor gets 45 years**, By Sonia Moghe, CNN, Sat July 11, 2015 - <https://www.cnn.com/2015/07/10/us/michigan-cancer-doctor-sentenced/index.html>

"Dr. Farid Fata, 50, pleaded guilty in September to giving cancer treatments to misdiagnosed patients, telling some they had a terminal blood cancer called multiple myeloma. He pleaded guilty to 13 counts of Medicare fraud, one count of conspiracy to pay or receive kickbacks and two counts of money laundering."

Patty Hester went to Fata in 2010 after being recommended by another doctor. Her white blood cell counts were low, and Fata was a renowned hematologist and oncologist.

"He was, according to the web page, and according to the fliers, he's world-renowned," Hester said. "When you went in his office, he was top doc."

"The quest for power is self-destructive," he said, according to WDIV. "They came to me seeking compassion and care. I failed. Yes, I failed."

"Federal prosecutors are charging 60 doctors, pharmacists, medical professionals and others in connection with alleged opioid pushing and health care fraud, the Justice Department said Wednesday.

The cases involve more than 350,000 prescriptions for controlled substances and more than 32 million pills — the equivalent of a dose of opioids for "every man, woman and child," across Ohio,

Kentucky, Tennessee, Alabama and West Virginia, said Assistant Attorney General Brian Benczkowski.

“The company identified about 8,300 "potentially suspicious 'orders of interest,' including thousands of oxycodone orders," between 2012 and 2016, but only reported four, the U.S. attorney said.

In that time, Rochester Drug Co-Operative’s sales of oxycodone tablets grew almost nine-fold, from 4.7 million to 42.2 million, prosecutors said. Their fentanyl sales grew from approximately 63,000 dosages in 2012 to more than 1.3 million in 2016.”

**Pharmakeia is a part of Babylon.** This is what the Bible predicts that Babylon would use to deceive all nations. You don’t have to be deceived. There is no way to be a part of God’s true people at the end of time and be connected with this system of administering poisonous drugs that manipulate and confuse the mind. This comes from Satan himself. You have seen the evidence. Babylon is fallen, get out before it is too late. It is a broken and poisonous system, “GET OUT” is God’s earnest plea.
