

Victory Over Sin Sermon Series
Lesson 12 – Pharmakeia’s god of Eradication
Bible Sermon Notes by Pastor O. Cary Rodgers, Jr.

Bible prophecy in Revelation 18:23 clearly reveals that all people on this planet, except the true remnant people of God will be deceived by a worldwide system of toxic and poisonous drugs that have direct, damaging and fatal effects on the body and mind. At the end of Revelation chapter 18 concerning the fall of Babylon it says:

Revelation 18:23

23 And the light of a candle shall shine no more at all in thee; and the voice of the bridegroom and of the bride shall be heard no more at all in thee: for thy merchants were the great men of the earth; for by thy **sorceries** were **all nations deceived**.

Sorceries (Greek) = φαρμακεία, pharmakeia

Thayer Definition:

- 1) the use or the administering of drugs
- 2) poisoning
- 3) sorcery, magical arts, often found in connection with idolatry and fostered by it

Pharmakeia is where we get the English word “pharmacy”.

Strong’s Greek Dictionary

Reference # G5331 φαρμακεία, pharmakeia, [far-mak-i'-ah]

From G5332; *medication* (“pharmacy”), that is, (by extension) *magic* (literal or figurative): - sorcery, witchcraft.

Notice pharmakeia’s definition connection to Strong’s reference # G5532

G5532 = pharmakeus

From φάρμακον **pharmakon** (a *drug*, that is, **spell giving potion**); a **druggist** (“**pharmacist**”) or **poisoner**, that is, (by extension) a *magician*: - sorcerer.

Spell giving potions are poisonous drugs designed to take control of the minds of its victims in which their thoughts and actions are under the influence of the “spell”. This practice is exactly what witches, wizards, and those involved in the occult world use.

In summary, pharmakeia or pharmacy is a system of the administering of poisonous drugs that not only poison the body and mind but are spell giving potions to take control of a person’s thoughts and actions. Pharmakeia has a direct connection to witchcraft, the magical arts, sorcery, and idolatry.

Satan is the architect and the mad scientist behind the entire system of pharmakeia with the objective to kill, steal, and to destroy. He wants to take control of the minds of his victims through his poisonous spell bound concoctions.

Modern medicine has adopted pharmakeia as its standard treatment of the sick and diseased in hospitals, clinics, and doctor offices worldwide. Their logo and branding of this system come from false worship and the occult world of Satan.

For example:

The bowl of Hygieia is the international symbol of pharmacy that comes from Greek pagan false gods. It is illustrated by a snake drinking a poisonous potion from a bowl. Notice that the picture of this bowl closely resembles a wine glass. In which, people who drink the wine will get drunk and confused. Greek pagan worship, Hygieia is the goddess of health and hygiene, the daughter of Aesculapius.

At the tree of knowledge of good and evil Satan used a snake as a medium to deceive Eve into eating from the forbidden tree that caused her death. He made it appear that the snake got his ability to talk and “wisdom” by eating from the tree. The snake in the bowl of Hygieia makes it appear that he gets his wisdom from drinking the poisonous potion from the bowl and that those who drink from the bowl will also be “wise.” Do you see the connection? The snake is telling the world “partake from the bowl you will not surely die. You will be wise.”

The rod of Aesculapius is a rod with a snake wrapped around it. According to Greek pagan worship, this rod is carried by the father of Hygieia, Aesculapius, is the god of medicine, healing, and physicians. This symbol has been adopted by many in the field of modern medicine. It is found within the logos of medical schools, doctor offices, hospitals, and health organizations such as the American Medical Association (AMA) and World Health Organization (WHO).

The caduceus also comes from pagan and occultic worship. It is two snakes mating around a pole with two wings. It is an abbreviated version of Baphomet who is a symbol of Satan. The caduceus is actually the most used symbol for modern medicine.

Satan has deceived the world to believe that poison has the power to heal, but in reality they only have the power to steal from and manipulate biochemistry of the body. All pharmaceuticals hijack and interfere with what is supposed to naturally happen in the body. For example, statins drugs used to treat high cholesterol greatly inhibits the natural production of cholesterol in the liver. Anti-anxiety drugs, a.k.a benzodiazepines or benzos, mimic GABA inhibitor neurotransmitters causing a major chemical imbalance in the brain. High blood pressure drugs inhibit the natural elasticity of the blood vessels. Chemotherapy used to treat all forms of cancer kill all fast growing cells causing major damage throughout the body. Metformin used to treat diabetes chemically suppresses and interferes with the glucose retrieval and storage process in the liver.

Satan carefully studies the body and looks for ways to make it sick and destroy it. He inspires the scientists and chemists in this system to make his pharmaceutical concoctions of despair and death. In exchange, he gives them money and prestige to keep the system of deception going. The same dragon that empowers the beast, the mother of Babylon, is the same snake that deceives all nations in his system of pharmaceuticals.

Revelation 13:4

4 And they worshipped the dragon which gave power unto the beast: and they worshipped the beast, saying, Who *is* like unto the beast? who is able to make war with him?

It is clear that Pharmakeia is a false god of healing and worship. Satan hides his true intent by calling his system healthcare, in reality it is not healthcare but a path of sickness, pain, and death. The doctors, nurses, pharmacist, and other agents of pharmakiea are like the false priest and servants of idolatry and witchcraft. Many ignorantly join the ranks of this Satanic system enticed by the high salaries, prestige, and lifestyle.

God's true method of healing

On the other hand, God's true method of healing does not use any part of pharmacy. It only uses simple natural remedies that are in sync with the law of God and the health laws that He has placed in the body. The simple and proven remedies include a diet of fruits, nuts, grains, seeds, and veggies. Exercise, water, sunshine, victory over appetite, fresh air, rest, and faith in God's health plan are more powerful remedies for true healing.

God's promise of good health that is disease free

Exodus 15:26

26 And said, If thou wilt diligently hearken to the voice of the LORD thy God, and wilt do that which is right in his sight, and wilt give ear to his commandments, and keep all his statutes, I will put none of these diseases upon thee, which I have brought upon the Egyptians: for I *am* the LORD that healeth thee.

The diseases of the Egyptians were some of the same diseases that many suffer today because the violation of the law of God and the health laws of the body. Diseases such as heart disease, cancer, diabetes, and other lifestyle diseases are the direct result of the violation of the law of God and His health laws. Anything that is placed in the body that harms the body in anyway is a violation of the laws of health. For example, foods that cause the arteries to get hard and clogged with high cholesterol that can cause a heart attack or stroke go against the law of the body. The poisons that are prescribed by the system of drugging are also a violation of the law of the body. True healing will never take place unless the body is in sync with all of God's law.

We must do our part and put the body in a condition in which true healing will take place.

Repeat – **TRUE HEALING WILL NEVER take place in the body that is flooded by the drugs of pharmacy.** Poisonous drugs are NOT a cure for disease. Many who prescribe and administer pharmaceutical drugs tell their patients that they will be on their drugs until the day they die. This sounds like the biggest money making scam on this planet. Satan tells his victims that his drugging system is good for their health but in reality fatal to their health.

What are some of the many quotes by Ellen White concerning the use of drugs?

“Do not use drugs. Drugs never heal; they only change the features of the disease.”— Letter 116, 1903

“Experimenting in drugs is a very expensive business. Nothing should be put into the human system that will leave a baleful influence behind.”—Medical Ministry, 228.

“Thousands have gone down to the grave because of the use of poisonous drugs, who might have been restored to health by simple methods of treatment. Water treatments, wisely and skillfully given, may be the means of saving many lives. Let diligent study be united with careful treatments. Let prayers of faith be offered by the bedside of the sick. Let the sick be encouraged to claim the promises of God for themselves.”— Medical Ministry, 227

“Drugs always have a tendency to break down and destroy vital forces, and nature becomes so crippled in her efforts, that the invalid dies, not because he needed to die, but because nature was outraged. If she had been left alone, she would have put forth her highest efforts to save life and health.”—Medical Ministry, 223

“By the use of poisonous drugs, many bring upon themselves lifelong illness, and many lives are lost that might be saved by the use of natural methods of healing. The poisons contained in many so-called remedies create habits and appetites that mean ruin to both soul and body.”—Ministry of Healing, 126-127.

“The physician who depends upon drug medication in his practice, shows that he does not understand the delicate machinery of the human organism. He is introducing into the machinery of the system a seed crop that will never lose its destroying properties throughout the lifetime. I tell you this because I dare not withhold it. Christ paid too much for man’s redemption to have his body so ruthlessly treated as it has been by drug medication.”—2 Selected Messages, 283-284

“Christ’s remedies cleanse the system. But Satan has tempted man to introduce into the system that which weakens the human machinery, clogging and destroying the fine, beautiful arrangements of God. The drugs administered to the sick do not restore, but destroy. Drugs never cure. Instead, they place in the system seeds which bear a very bitter harvest.”—2 Selected Messages, 289

The drugs of pharmakeia are intentionally given long and hard to pronounce names in an effort to hide their harmful effects. The doctors who pronounce the names of these poisons are lauded as highly educated and smart.

The universal treatment of disease that have been adopted by all the hospitals, clinics, and doctors are poisonous drugs regiments, surgery, and / or radiation.

For example:

The National Comprehensive Cancer Network in general advocates that all cancer patient receive all or a combination of treatments 1) a cocktail of chemotherapy 2) radiation 3) surgery and 4) Opioids for pain

After they have mutilated the patient with their powerful toxins, radiation, and surgeries, they send the patient out to the pasture of hospice to die and call it palliative care where the patient is given more powerful pain drugs that eventually kills the patient.

The American Diabetes Association advocates that type two diabetes start with metformin, as blood sugar levels increase the patient is given insulin drugs such as glucagon-like peptide 1 receptor agonist prescriptions like Byetta or Bydureon.

As the patients gets worse over time they wack off legs, arms, toes or fingers. The kidney overtime breaks down as a result of consistently be assaulted by the drugs and the patient is place on dialysis. Overtime, the patient gets progressively worse and dies.

According to the Cleveland Clinic there are at least six types of drugs used to treat heart disease 1) statins for cholesterol. 2) aspirin for blood clotting 3) Clopidogrel [klow·pi·duh·grel] also for blood clotting 4) Warfarin – strongest for blood clotting 5) Beta blocker drugs for high blood pressure and 6) Ace inhibitors also for high blood pressure. - <https://health.clevelandclinic.org/the-big-six-heart-medications>.

In addition to this, many of pharmakeia's diagnostic tools are also very harmful to the body such as CT scans which gives the body a flood of gamma ray radiation.

Pharmakeia DOES NOT heal but takes the people's money. They puff up themselves as healer, but their universal treatment of disease is an utter failure. **Sadly, this diabolical system of poison has a monopoly on healthcare and medical education worldwide. The majority of its victims just pop its poison in their month with no questions because they trust the doctor's position of authority.**

As a whole the false science and training of all its scientist, researchers, doctors, nurses, and others are based on evolution. This is a total rejection of God.

Berkley University along with many other schools and institutions of pharmakeia believe the following "Medical science is continually making rapid advances: new medications and treatments are developed and introduced at a rapid pace, but we can better take advantage of these advances by taking **evolution** into account." - https://evolution.berkeley.edu/evolibrary/article/0_0_0/medicine_01

The American Association of Medical Colleges, the maker of the MCAT exam that many students take to try to get into medical school are now required to answer questions on evolution. - <https://students-residents.aamc.org/whats-mcat-2015-exam/biological-and-biochemical-foundations-living-systems-content-category-1c>

The line of distinction between Satan's system of pharmakeia and God's true healing system of natural remedies are clearly drawn.

Can you mix the two and still get healing?

1 Corinthians 10:21

21 Ye cannot drink the cup of the Lord, and the cup of devils: ye cannot be partakers of the Lord's table, and of the table of devils.

Sadly, many professed Christians and their institutions and hospitals try to drink from the cup of the Lord and pharmakeia, this is confusion and drunkenness.

When the King of Israel, Ahazaiah, the son of Ahab, fell sick from a disease he called on the false gods of Ekron for healing.

2 Kings 1:2

2 And Ahaziah fell down through a lattice in his upper chamber that was in Samaria, and was sick: and he sent messengers, and said unto them, **Go, enquire of Baalzebub the god of Ekron whether I shall recover of this disease.**

What was God's response to Ahaziah?**2 Kings 1:6**

6 And they said unto him, There came a man up to meet us, and said unto us, Go, turn again unto the king that sent you, and say unto him, Thus saith the LORD, *Is it not because there is not a God in Israel, that thou sendest to enquire of Baalzebub the god of Ekron? therefore thou shalt not come down from that bed on which thou art gone up, but shalt surely die.*

Ekron (Hebrew) = **eradication** – *Strong's Dictionary. Eradication, "the complete destruction of something". - Google search's dictionary*

Baalzebub is about eradication not healing. Pharmakeia is the modern offspring of Baalzebub the god of Ekron. It also has proven itself also to be a system of eradication instead of healing.

Those who choose this system will NEVER receive true healing. In the end the system that eradicated and destroyed countless lives will be eradicated.

Many out of ignorance patronize this system, but God is exposing it as an institution of Satan.

Acts 17:30

30 And the times of this ignorance God winked at; but now commandeth all men every where to repent:

In the final analysis the choice between Pharmakeia and God's true system of healing comes down to faith and who you truly worship. Do you truly have faith in God's healing methods or Pharmakeia? If you have faith in God's way of healing you MUST stop patronizing Pharmakeia and wholeheartedly follow the true physician, Jesus Christ.

Don't mix it. Make a decision. Choose you this day which system you are going to serve **God's healing or Pharmakeia's god of Eradication.**

If you work in Pharmakeia as a doctor, nurse, pharmacist, or other field that is a part of administering poisonous drugs do not let the money and your ignorance blind you. Make a decision before it is eternally too late.

We must have total victory over pharmakeia.

"Workers-gospel medical missionaries are needed now. You cannot afford to spend years in preparation. Soon doors now open to the truth will be forever closed. Carry the message now. Do not wait, allowing the enemy to take possession of the fields now open before you. Let little companies go forth to do the work to which Christ appointed His disciples. Let them labor as evangelists, scattering our publications, and talking of the truth to those they meet. Let them pray for the sick, ministering to their necessities, not with drugs, but with nature's remedies, and teaching them how to regain health and avoid disease." --Testimonies, Vol. 9, pp. 171, 172.
