Lesson 7: Amalgamation**

Sermon Bible Notes by Pastor O. Cary Rodgers, Jr.

Genesis 6:5, 12, 13

5 And GOD saw that the wickedness of man *was* great in the earth, and *that* every imagination of the thoughts of his heart *was* only **evil continually**.

12 And God looked upon the earth, and, behold, it was corrupt; for all flesh had corrupted his way upon the earth.

13 And God said unto Noah, The end of all flesh is come before me; for the earth is filled with violence through them; and, behold, I will destroy them with the earth.

One of the most evil and corrupt things that the people did before the flood was amalgamation, mixing human genes with the genes of animals. This is a total violation of the laws of nature and creation.

Amalgamation - the action or process of uniting or merging two or more things. Merriam-Webster Dictionary

Genesis 1:21, 24, 25

21 And God created great whales, and every living creature that moveth, which the waters brought forth abundantly, after their kind, and every winged fowl after his kind: and God saw that *it was* good.

24 And God said, Let the earth bring forth the living creature after his kind, cattle, and creeping thing, and beast of the earth after his kind: and it was so.

25 And God made the beast of the earth after his kind, and cattle after their kind, and every thing that creepeth upon the earth after his kind: and God saw that *it was* good.

All the species of animals that God created has its own unique DNA profile.

What makes the DNA profile of humans unique and clearly distinct from all animal species?

Genesis 1:26-27

26 And God said, Let us make man in our image, after our likeness: and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth.

27 So God created man in his *own* image, in the image of God created he him; male and female created he them.

Humans are made in the image of God and were created with a distinct DNA profile from animals. Amalgamation of humans and beasts is the corruption of humanity and sin against our Creator.

“But if there was one sin above another which called for the destruction of the race by the flood, it was the base crime of amalgamation of man and beast which defaced the image of God, and caused confusion everywhere.” Ellen White, *Spiritual Gifts Vol. 3*, p. 64

Matthew 24:37-39

37 But as the days of Noe *were*, so shall also the coming of the Son of man be.

38 For as in the days that were before the flood they were eating and drinking, marrying and giving in marriage, until the day that Noe entered into the ark,

39 And knew not until the flood came, and took them all away; so shall also the coming of the Son of man be.

Like the days before the flood the mad scientist, Satan, inspires men to use amalgamation of mixing man with beast in the last days.

For many years Satan has entertained millions of people with the evil ideas of the amalgamation of mixing humans with beast through cartoons and Hollywood movies. Thousands of cartoons are animals that have human character traits that can talk and feel like humans. This is done purposely to mock and deface the image of God! This type of amalgamation is also a sin against God.

Those who watch this type of animal amalgamations through cartoons and movies become corrupted themselves. As a result, Satan sets up their minds to accept the literal mixing of humans with beasts on various levels.

What are some literal examples of amalgamation of humans and animals in the last days?

Scientists Create Early Embryos That Are Part Human, Part Monkey, by Rob Stein, All Things Considered, April 15, 2021, NPR

“For the first time, scientists have created embryos that are a mix of human and monkey cells.

The embryos, described Thursday in the journal *Cell*, were created in part to try to find new ways to produce organs for people who need transplants, said the international team of scientists who collaborated in the work. But the research raises a variety of concerns.”

“After one day, the researchers reported, they were able to detect human cells growing in 132 of the embryos and were able study the embryos for up to 19 days. That enabled the scientists to learn more about how animal cells and human cells communicate, an important step toward eventually helping researchers find new ways to grow organs for transplantation in other animals, Belmonte said.”

This goes totally against the law of creation. Modern worldly science rejects the creation and believe and promote evolution. Since they believe that humans come from animals they do not see the foolishness and stupidity to even do experiments like this. They believe that they are gods but they are actually idiots inspired by Satan, the mad scientist.

The process of transplanting animal organs into humans is known as **xenotransplantation [ze no]**.

After a flurry of firsts, xenotransplantation is suddenly back in the spotlight, Megan Molteni Jan. 20, 2022, STAT News

"In his more than 30 years as a surgeon, Robert Montgomery has transplanted hundreds of kidneys. But at four in the morning September 25, the director of NYU Langone's Transplant Institute performed one unlike any he'd ever done before. The kidney — six inches long, bean-shaped, and pale pink — was excised overnight from a genetically engineered pig, and flown into New York by private plane and helicopter from hundreds of miles away. The "patient," lying face-up on the operating table, had died the day before. Machines now kept her body in a state of suspended animation, long enough to undergo the two-hour procedure to attach the organ to blood vessels in the woman's leg, and to study what happened after."

Five days later, Jayme Locke, a surgeon who had trained under Montgomery, went one step further. Her team at the University of Alabama at Birmingham put two kidneys from a different herd of designer pigs into a man who had recently passed away. This time, they swapped his organs for the porcine ones, took off the clamps, and held their breaths. The man's brain-dead body could still mount an immune attack. And if it did, blue splotches would begin to appear on the kidneys as clots would cripple it from the inside out, turning it to a hard black mass within minutes. Instead, they turned pink. Within 20 minutes, one of them was peeing. "It was exhilarating to say the least," Locke told STAT this week."

Man gets genetically-modified pig heart in world-first transplant, BBC News, January 11, 2022

"A US man has become the first person in the world to get a heart transplant from a genetically-modified pig."

"He's at more of a risk because we require more immunosuppression, slightly different than we would normally do in a human-to-human transplant. How well the patient does from now is, you know, it's never been done before so we really don't know," she told the BBC.

God does not approve of this abomination in any way. They would rather put pig parts in people instead of showing people how to live a healthy lifestyle that will prevent many lifestyle diseases. Also many of their poisonous drugs cause major damage to the patients organs.

What is the most dangerous form of amalgamation at the end of time?

Many Christian's today also use a form of amalgamation that is just as corrupting and deadly. It is spiritual amalgamation of mixing the truth and error; mixing the church with the world; and

mixing the things of God with the things of Satan. This is the most dangerous form of amalgamation!

1 Corinthians 10:20-22

20 But I say, that the things which the Gentiles sacrifice, they sacrifice to devils, and not to God: and I would not that ye should have fellowship with devils.

21 Ye cannot drink the cup of the Lord, and the cup of devils: ye cannot be partakers of the Lord's table, and of the table of devils.

22 Do we provoke the Lord to jealousy? are we stronger than he?

You cannot mix life with death and have life. Mixing life and death is still death. Mixing truth and error is still error. Mixing the purity with corruption is still corruption.

“Those who profess to be followers of Christ, should be living agencies, co-operating with heavenly intelligences; but by union with the world, the character of God's people becomes tarnished, and through amalgamation with the corrupt, the fine gold becomes dim. When worldly agencies are introduced into the church, it is evident that Satan is carrying out his devices, working through those who profess to be followers of Christ, making them ready at any time to engage with him in disheartening and discouraging those who are faithful, who would stand wholly on the Lord's side.” {Review Herald, August 23, 1892 par. 3}

Amalgamation is the doctrine of Babylon, mixing truth and error

We like Joshua must make a decision to follow God with our whole heart without mixing the doctrines of this world.

Joshua 24:14-15, 19-20

14 Now therefore fear the LORD, and serve him in sincerity and in truth: and put away the gods which your fathers served on the other side of the flood, and in Egypt; and serve ye the LORD.

15 And if it seem evil unto you to serve the LORD, choose you this day whom ye will serve; whether the gods which your fathers served that *were* on the other side of the flood, or the gods of the Amorites, in whose land ye dwell: but as for me and my house, we will serve the LORD.

19 And Joshua said unto the people, Ye cannot serve the LORD: for he *is* an holy God; he *is* a jealous God; he will not forgive your transgressions nor your sins.

20 If ye forsake the LORD, and serve strange gods, then he will turn and do you hurt, and consume you, after that he hath done you good.

In order to be prepped and ready for the end time events and the Mark of the Beast crisis we must make a whole-hearted decision to follow Christ fully, no longer mixing the commandments of men with the Ten Commandments of God.

“How many shrink from the purifying process! They are unwilling to live out the truth, unwilling to appear singular or peculiar in the eyes of the world. It is this mixing up with the world which destroys our spirituality, pureness and zeal. Satan's power is constantly exercised to stupefy the sensibilities of God's people, that their consciences may not be sensitive to wrong, and that the sign of distinction between them and the world may be destroyed.” {Ellen White, Review and Herald, June 25, 1861 par. 1}

“Actions speak louder than words, and those who are lovers of pleasure do not appreciate the rich blessings of being in the assembly of the people of God. They do not appreciate the privilege of influencing their associates to go with them, hoping that their hearts will be touched by the Spirit of the Lord. Who goes with them into these worldly gatherings? Jesus is not there to bless those assembled. But Satan will bring to the mind many things to crowd out matters of eternal interest. It is his opportunity to confuse the right by mixing it up with wrong. Through attendance at worldly gatherings a taste is created for exciting amusements, and moral power is weakened. Those who love pleasure may keep up a form of godliness, but they have no vital connection with God. Their faith is dead, their zeal has departed. They feel no burden to speak a word in season to souls who are out of Christ, and to urge them to give their hearts to the Lord.” (Ellen White, “Words To The Young,” Youth Instructor, March 30, 1893)

The mixing of the sacred things of God with the corrupt things of Satan is destruction and death. Those who do this are slaves to vice and deceptions. The only way to break from this is to repent and be truly converted to the ways and the commandments of God.

2 Corinthians 6:15-17

15 And what concord hath Christ with Belial? or what part hath he that believeth with an infidel?

16 And what agreement hath the temple of God with idols? for ye are the temple of the living God; as God hath said, I will dwell in them, and walk in *them*; and I will be their God, and they shall be my people.

17 Wherefore come out from among them, and be ye separate, saith the Lord, and touch not the unclean *thing*; and I will receive you,
