**Lesson 9: The Pharmakeia Scam Part 1**  
**Bible Sermon Study Notes by Cary Rodgers, pastor**

**In the end what will happen to all the stuff of Babylon as a result of her self-indulgence?**

**Revelation 18:14-16**

14 And the fruits that thy soul lusted after are departed from thee, and all things which were dainty and goodly are departed from thee, and thou shalt find them no more at all.  
15 The merchants of these things, which were made rich by her, shall stand afar off for the fear of her torment, weeping and wailing,  
16 And saying, Alas, alas, that great city, that was clothed in fine linen, and purple, and scarlet, and decked with gold, and precious stones, and pearls!

**How long will it take for Babylon to be totally destroyed and uprooted? (3 text reveal)**

**Revelation 18:10, 17 - 19**

10 Standing afar off for the fear of her torment, saying, Alas, alas, that great city Babylon, that mighty city! for in **one hour** is thy judgment come.  
17 For in **one hour** so great riches is come to nought. And every shipmaster, and all the company in ships, and sailors, and as many as trade by sea, stood afar off,  
18 And cried when they saw the smoke of her burning, saying, What *city is* like unto this great city!  
19 And they cast dust on their heads, and cried, weeping and wailing, saying, Alas, alas, that great city, wherein were made rich all that had ships in the sea by reason of her costliness! for in **one hour** is she made desolate.

**Since the context of Babylon is symbolic remember the time prophecy is also symbolic. Must use a day for a year prophecy. So how long is one hour when a day for a year is applied?**

To translate one hour of symbolic time to literal time you must do the following:

A symbolic day represents one symbolic year of 360 literal days.

**1 hour = 1/24<sup>th</sup> of a symbolic day. 360 literal days ÷ 24 = 15 literal days.**

Babylon will completely fall in 15 literal days at the end of the seven last plagues.

**What does John hear and see next about the final destruction of Babylon?**

**Revelation 18:20 - 22**

20 Rejoice over her, *thou* heaven, and ye holy apostles and prophets; for God hath avenged you on her.  
21 And a mighty angel took up a stone like a **great millstone**, and cast *it* into the sea, saying, Thus with violence shall that great city Babylon be thrown down, and shall be found no more at all.  
22 And the voice of harpers, and musicians, and of pipers, and trumpeters, shall be heard no more at all in thee; and no craftsman, of whatsoever craft *he be*, shall be found any more in thee; and the sound of a millstone shall be heard no more at all in thee;

**Why does God avenge for the holy apostles and prophets against Babylon?**

**Revelation 18:24**

24 And in her [Babylon] was found the blood of prophets, and of saints, and of all that were slain upon the earth.

During the mark of the beast crisis, but before seven last plagues many true people of God who do not receive the mark of the beast are persecuted or killed for the truth of Jesus. They refuse the false Sunday Sabbath that is enforced nationally and worldwide. They have the faith of Jesus and keep all His commandments including the seventh-day Sabbath.

**Why were all nations deceived by Babylon and destroyed with Babylon?****Revelation 18:23**

23 And the light of a candle shall shine no more at all in thee; and the voice of the bridegroom and of the bride shall be heard no more at all in thee: for thy merchants were the great men of the earth; **for by thy sorceries** were all nations deceived.

**Sorceries (Greek) = Pharmakeia [far-mak-i'-ah]****Thayer Definition:**

1. the use or the administering of drugs
2. poisoning
3. sorcery, magical arts, often found in connection with idolatry and fostered by it

“For by thy **pharmakeia [poisonous drugs mixed with magical arts connected with idolatry]** were ALL nations deceived!”

Pharmakeia is where we get our word pharmacy! The administration of poisonous drugs!

The Bible is very clear when the word “sorceries” is used only in connection to magic, it uses the Greek word “mageia” [mag-i'-ah], but when the word is connected to the use of poisonous drugs it uses the Greek word “pharmakeia.”

**For example:****Acts 8:9, 11**

9 But there was a certain man, called Simon, which beforetime in the same city used **sorcery**, and bewitched the people of Samaria, giving out that himself was some great one:

11 And to him they had regard, because that of long time he had bewitched them with **sorceries**.

Here the Greek the word “sorcery” is mageuō [*mag-yoo'-o*] to *practice magic*: - use sorcery. Sorceries is mageia

[mag-i'-ah]; “magic”: - sorcery.

Even in the Old Testament:

When the word sorcery is used it mainly applies to magic or witchcraft.

Isaiah 47:9

9 But these two *things* shall come to thee in a moment in one day, the loss of children, and widowhood: they shall come upon thee in their perfection for the multitude of thy **sorceries** (magic/witchcraft), *and* for the great abundance of thine enchantments.

**Don't miss this. In general all sorceries/witchcraft/magic are known to use “magic” potions to “heal”, deceive, poison, or kill someone.**

**When you go back to Revelation 18:23 Jesus uses the Greek word “pharmakeia” to reveal to us that the main thing that will be used to deceive ALL people in the last days is a well organized system of administering poisonous drugs to billions of people that are not only toxic to the organs of body, but have a direct negative effect on the brain.**

Pharmacy mainly uses a mixture of toxic chemicals, metals, and/or synthetic elements to produce “pharmaceuticals” that are designed to manipulate the biochemistry or metabolic functions of the body in an attempt to get a “desired” affect in the treatment of a disease or sickness. In other words, pharmacy mixes up different types of poison, packages it, patents it, and claims that it can treat certain types of diseases. The main problem with that system is that poison is poison. Pharmaceutical drugs are poisonous. When poison is put into the body it has negative effects on the entire body system from head to toe. These are not just “side effects” or “unintended” sicknesses or diseases that a person suffers as a result of using a drug. These are “direct effects” because the reality is that drugs have direct effects on the entire body system including the brain.

“For by thy **pharmakeia [poisonous drugs mixed with magical arts connected with idolatry]** were ALL nations deceived!”

**Is this system of poisonous drugging of pharmakeia directly connected to idolatry and Satanic worship?**

The symbols of modern medicine reveal clearly who this system centers around.

**Symbol of Pharmacy – the Bowl of Hygieia the international symbol for pharmacy**

**Ettie Rosenberg, Pharm.D., Esq.**

“The “Bowl of Hygieia” symbol is the most widely recognized international symbol of pharmacy. In Greek mythology, Hygieia was the daughter and assistant of Aesculapius (sometimes spelled Asklepios), the God of Medicine and Healing. Hygieia's classical symbol was a bowl containing a medicinal potion with the serpent of Wisdom (or guardianship) partaking it. This is the same serpent of Wisdom, which appears on the caduceus, the staff of Aesculapius, which is the symbol of medicine.”

**Who is the snake in the Bible?** Satan Revelation 12:9 – That old serpent called the Devil.... What did the serpent tell Eve if she ate of the forbidden tree? “will make one wise..”

**Greek God father of Hygieia Asclepius**

**Asclepius** (*/æɪsˈkliːpiəs/*; Greek: Ἀσκληπιός, *Asklēpiós* [asklɛːpiós]; Latin: *Aesculapius*) was a god of medicine and healing in ancient Greek religion. Asclepius represents the healing aspect of the medical arts;

God of medicine, healing, rejuvenation and physicians.

“Serpent of Wisdom” seen throughout the symbolism of the modern medical profession

The emergency services' Star of Life features a rod of Asclepius /

American Medical Association – who do they actually associate with – the snake...

This is a counterfeit representation of the bronze snake that Moses was instructed to put on the pole in the wilderness for those who looked at it and were healed from the bite of the poisonous snakes in wilderness.

The rod of Asclepius with the snake is the opposite. For those who submit to the system of administering poison for healing will suffer negative effects on the body and brain.

### **Caduceus**

“Many "medical" organizations use a symbol of a short rod entwined by two snakes and topped by a pair of wings, which is actually the caduceus or magic wand of the Greek god **Hermes** (Roman

**Mercury**), messenger of the gods, **inventor of (magical) incantations**, conductor of the dead and protector of merchants and thieves. It is derived from the Greek karykeion = "herald's staff", itself based on the word "eruko" meaning restrain, control.” <http://drblayne.com/Asclepius.html>. The Caduceus was the magic wand of the god Hermes. <http://www.masonicdictionary.com/caduceus.html>

The occult uses the caduceus as a “magic” wand to cast spells!

DON'T MISS THIS – From the beginning even in the Greek methodology and the occultic world, the caduceus had nothing to do with medicine or healing or health.

So why has modern medicine adopted this caduceus as their symbol of medicine? Remember it's original function and meaning.

Who hold's the caduceus? The false God of Mercury.

What is his claim? Inventor of magic, conductor of the dead and PROTECTOR of merchants and thieves. To restrain and control!

Could it be that modern medicine has adopted the caduceus as their symbol of medicine and physicians is to PROTECT the merchants of the earth that make Billions of dollars poisoning people. To protect the corporate thieves and to control and restrain the masses... GET OUT OF BABYLON!

This may shock you. **Who first adopted the caduceus to represent medicine?**

Even though the caduceus had nothing to do with healing or medicine an officer in the US ARMY Medical Corps in 1902 insisted to adopt it as their symbol of medicine.

Why was the CADUCEUS adopted into modern medicine? It reveals who is the true “inventor of magic, “conductor” of the dead and PROTECTOR of merchants and thieves, to restrain and control! - SATAN himself

**How? In the occultic world of Satan he depicts himself as a goat with two wings and a CADUCEUS between his crossed legs!** Here is the direct link between the poisonous practices of modern medicine through pharmakeia and Satan. Satan is behind his system. It is part of Babylon. Get out before it's too late.
